Silver Bullet Shredding named finalist for two Burnaby Business Excellence Awards

Burnaby, B.C. - October 7th, 2011. Each year, the Burnaby Board of Trade and The City of Burnaby recognizes businesses which have demonstrated outstanding business success over many years and have had a positive and significant impact on the community.

Silver Bullet Shredding, a small Burnaby document shredding firm was named a finalist for two business awards at the Burnaby Business Excellence Awards luncheon held at the Vancouver Metrotown Hilton on October 6th, 2011.

Founder/Owner Bailey Jung was selected a finalist for the *Business Person of the Year Award* while his six year old company was chosen as a finalist for the *Small Business of the Year Award*. Jung was taken by surprise by the first award and didn't see that coming. "We've come a long way since those early days shredding in my carport" remarked Jung. "It is certainly nice to be recognized on the eve of National Small Business Week" he added. Despite a market dominated by national players, Silver Bullet Shredding has thrived by carving a niche serving small professional services firms in the legal, accounting, medical, and financial sectors.
